Example of Savings

**\$10 a week deposited
for 12 months = \$520 a year**

*A maximum deposit of \$200 can be deposited per month, and may not be withdrawn or transferred without the account being closed. Once the account is closed, it cannot be re-opened until December of that year. The available funds are transferred at the beginning of December to that share account. **Annual Percentage Yield. APY rate subject to change without notice.
